ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There are 2 minutes remaining in this vote.

□ 1440

So (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. GENE GREEN of Texas. Mr. Speaker, on rollcall No. 344, had I been present, I would have voted "aye."

PROVIDING FOR CONSIDERATION
OF CONFERENCE REPORT ON
H.R. 2346, SUPPLEMENTAL AP-
PROPRIATIONS ACT, 2009

Mr. ARCURI. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 545 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 545

Resolved, That upon adoption of this resolution it shall be in order to consider the conference report to accompany the bill (H.R. 2346) making supplemental appropriations for the fiscal year ending September 30, 2009, and for other purposes. All points of order against the conference report and against its consideration are waived. The conference report shall be considered as read.

SEC. 2. The Chair may postpone further consideration of the conference report to such time as may be designated by the Speaker.

The SPEAKER pro tempore. The gentleman from New York is recognized for 1 hour.

Mr. ARCURI. Mr. Speaker, for purposes of debate only, I yield the customary 30 minutes to the gentleman from California (Mr. DREIER). All time yielded during consideration of the rule is for debate only.

GENERAL LEAVE

Mr. ARCURI. Mr. Speaker, I ask unanimous consent that all Members be given 5 legislative days in which to revise and extend their remarks on House Resolution 545.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from New York?

There was no objection.

Mr. ARCURI. Mr. Speaker, I yield myself such time as I may consume.

H. Res. 545 provides for consideration of the supplemental conference report, legislation that supports our military in the field in both Iraq and Afghanistan. This spending plan provides our troops with everything they will need during the remainder of this fiscal year, and the President has said this will be the last supplemental spending request he will send to Congress. I hope this will be the case.

I, along with a majority of my colleagues, share the President's goal of winding down the war in Iraq and leaving behind an Iraq run by Iraqis. This conference report takes a step towards that goal by providing for the training of security forces, economic development, and diplomatic operations.

We are also looking to secure Afghanistan, and this conference report provides for training of Afghan security forces and counterinsurgency measures in bordering Pakistan.

Although there are no deadlines or timelines in this conference report, I think we share in the desire to have troops wrap up their missions abroad and return home to their families. It's my hope that we will see the beginning of that troop drawdown this year.

This report also provides for a few key domestic economic priorities like the Cash For Clunkers program, which will allow Americans to trade in old vehicles for new ones with higher fuel efficiency.

This conference report also includes \$1.5 billion for response to the swine flu pandemic to help State and local governments but also to fund global efforts to track, contain, and slow down the spread of this flu.

Although it is not perfect legislation, it provides some essential funding, and I will support it and urge my colleagues to do the same.

Mr. Speaker, I reserve the balance of my time.

Mr. DREIER. Mr. Speaker, I yield myself such time as I may consume.

(Mr. DREIER asked and was given permission to revise and extend his remarks.)

Mr. DREIER. Let me begin by thanking my friend from Utica for yielding me the customary 30 minutes.

I have to say that it's with extreme disappointment and sadness that I rise in opposition to this rule, having been very supportive of it when we had it just, it seemed, a few weeks ago.

The underlying measure of the supplemental appropriations bill that's supposed to fund our troops began auspiciously as a wonderfully bipartisan effort. In fact, when the House first considered the funding measure last month, Republicans were very proud to have what was our first opportunity, Mr. Speaker, our first opportunity of this 111th Congress to consider a major bill that had been developed in a bipartisan way.
